A levels	We are committed to accepting students on to this course who have the potential to succeed as practitioners and who will gain sustained work in the performing arts and entertainment industries. With this in mind we wish to identify through applications and interview or audition key attributes and achievements. The key attributes that we seek to identify are: • Knowledge, ability and experience of music • Commitment to the performing arts • Ability to work effectively with others • Broad interest and engagement • Self-awareness • Spirit of enterprise The minimum educational standard that we are looking for is: GCSEs We normally require a minimum of five GCSEs grade C. These should include Maths and English. UCAS TARIFF POINTS Plus a minimum of 96 UCAS tariff points (2017 tariff) or 240 UCAS tariff points (2016 tariff). Subjects studied at this level should include Music. Alternative qualifications considered	<p>Music theory Candidates should be able to demonstrate a good working understanding of music theory. UK applicants should aim to attain Grade 5 London College of Music (LCM) Popular Music Theory or equivalent qualification such as a Distinction in Unit 27: Music Theory &amp; Harmony BTEC National Diploma by the time they enrol with us. Candidates are tested on their music theory ability at auditions so if they achieve above a certain level at the audition the need to achieve a further grade 5 level qualification may be waived. Overseas students are considered on an individual basis and are also tested on their music theory ability at the audition stage. Audition or Interview Candidates are invited to audition/interview on the basis of completing the LIPA and/or UCAS application form. We look for evidence of the key attributes and an ability to achieve the qualifications standard. In exceptional cases people may be invited to audition/interview who have not met or are not on course to meet the qualifications standard. In these cases there must be substantial potential demonstrated against the other attributes. The audition or interview allows us to evaluate you as a practitioner in your area of interest. Offers of a place will follow where you demonstrate high ability and the potential to succeed. At the audition we provide an overview of LIPA and candidates are asked to present prepared pieces, to take part in a song writing workshop and to undertake a music theory test. In exceptional cases an offer of a place may be made on the basis of the application form alone. Equal Opportunity LIPA is an equal opportunities organisation and aims to successfully recruit students from a wide range of different socio-economic and personal backgrounds. To ensure we provide effective equality of opportunity within the application process we carefully consider each application individually and acknowledge differences that can exist between applicants' experiences from diverse backgrounds. We regularly update our approaches to take into account changing understanding of communities and cultures and we monitor applicant/student characteristics such as age, gender and ethnicity. Recognition of Prior (Experiential) Learning [RP(E)L] and Credit Transfers If applicants can demonstrate they have already achieved learning equivalent to a module or modules, or a level of study, in the programme they may be eligible to be awarded credit for this learning or to have credit transferred from another UK institution.
