## Aims and Outcomes

### Educational Aims of the Programme

The Senior Leaders Apprenticeship is designed to transform participants into confident and strategic leaders. It focuses on the practice of leadership, strategy and organisational management and has a real-world focus. This module aims to explore and apply knowledge and skills to operate as a versatile, confident and effective leader in a complex, dynamic working environment.

### Learning Outcomes

Code	Description
PLO1	Critically appraise complex problems and situations across functional boundaries in order to develop holistic, integrated strategic responses to organisational and management issues
PLO2	Reflect and apply the practice and principles of reflection and continuous development to positively impact individual and collective performance within the organisation
PLO3	Demonstrate knowledge and understanding of current and pervasive issues in business and management including responsible leadership practices, appreciating diversity and behaving with integrity.
